Minnesota Job Growth Continues to Outpace U.S. Over the Year

Minnesota added 1,500 jobs in August and continued to significantly outpace the nation in job growth over the year, according to data released today by the Minnesota Department of Employment and Economic Development (DEED). Over the year, Minnesota added 45,041 jobs, a 1.5% increase, compared with national job growth of 0.3%. Minnesota’s private sector also grew 1.5% over the year, compared with 0.5% nationally.

Minnesota’s unemployment rate ticked up one-tenth of a percentage point to 4.4% in August, while the U.S. unemployment rate remained at 4.1%. Minnesota’s labor force decreased by 2,521 people over the month, or 0.1%. The number of employed Minnesotans decreased by 3,840, while the number of unemployed increased by 1,319. The state’s labor-force participation rate ticked down one-tenth of a percentage point to 66.8%. Nationally, the labor force increased by 683,000 people, or 0.4%, and the labor-force participation rate increased two-tenths of a percentage point to 61.6%.

“Minnesota employers continued to show remarkable resilience in August, delivering a small monthly gain and an annual growth rate well in excess of the nation as a whole, despite the many headwinds we’ve faced this year,” said DEED Commissioner Matt Varilek. “On the other hand, our slightly elevated unemployment rate and decline in overall labor force size add up to a mixed picture for this month’s report as a whole.”

Over the month, Minnesota gained 1,500 nonfarm jobs on a seasonally adjusted basis, effectively flat at 0.0%. The private sector gained 300 jobs, also effectively flat. Nationally, total nonfarm employment increased by 162,000 jobs, or 0.1%, while private-sector employment increased by 127,000 jobs, also 0.1%.

“The August numbers continue to show a mixed labor-market picture,” said Angelina Nguyen, DEED Labor Market Information Director. “Minnesota’s 1.5% annual job growth remains substantially stronger

Emmel, seconded by Commissioner Titera and carried, to authorize the County Auditor to pay the submitted invoices of \$199,152.35 from the County Revenue Fund and \$12,241.67 from the Public Health Fund.

Motion by Commissioner Ramsrud, seconded by Commissioner Dukek and carried, to approve for truth-in-taxation purposes the following Departmental Budgets under the County Revenue Fund for fiscal year 2027. (on file)

Motion by Commissioner Dukek, seconded by Commissioner Titera and carried, to approve the 2027 Levy for Truth-in-Taxation purposes as follows:

Motion by Commissioner Ramsrud, seconded by Commissioner Titera and carried, to approve the Off-Site Raffle Drawing for the Trailblazers Snowmobile Club.

Adjourn – Motion by Commissioner Dukek, seconded by Commissioner Ramsrud and carried, to adjourn the meeting at 10:15 a.m.

than the national rate, and eight of 11 major industry sectors have added jobs over the year. At the same time, the decline in labor-force participation and slower wage growth are important indicators that we will continue to watch.”

Six Minnesota supersectors added jobs over the month, led by Manufacturing (+2,200 jobs, up 0.7%) and Government (+1,200 jobs, up 0.3%). Professional and Business Services and Leisure and Hospitality each added 300 jobs. Mining and Logging and Construction each added 100 jobs. Four supersectors lost jobs over the month: Trade, Transportation and Utilities (-1,400 jobs), Education and Health Services (-800 jobs), Information lost (-300 jobs) and Financial Activities (-200 jobs). Employment in Other Services was unchanged.

Over the year, Education and Health Services added the most jobs in Minnesota (+18,007 jobs, up 3.0%). Other sectors showing gains were Manufacturing (+9,917 jobs, up 3.1%), Construction (+7,746 jobs, up 4.9%), Professional and Business Services (+7,667 jobs, up 2.0%) and Government (+6,667 jobs, up 1.6%). Three supersectors lost jobs over the year: Financial Activities (-6,307 jobs, down 3.3%), Trade, Transportation and Utilities (-3,332 jobs, down 0.6%) and Information -2,058 jobs, down 5.0%).

Average hourly wages for Minnesota private-sector workers increased 28 cents over the month to \$39.67. Over the year, average hourly earnings increased 0.4%. Nationally, private-sector wages grew 3.8% over the year. The Consumer Price Index for all urban consumers increased 3.4% over the year in August.

Current employment statistics, full state and national employment statistics, and further analysis of this month’s data are available on the DEED website.
